#### Annexure-IV

#### -: MANAGEMENT DISCUSSION AND ANALYSIS:-

#### **Economic Review (Global Economic Review)**

After the challenging 2020, the global economy started with a note of optimism as vaccination drive started rolling out across the globe and resumption of economic activities. However, the onset of newer variants and the related challenges like disruptions in global supply chain kept the economy in tenterhooks. According to the April 2022, the global economy achieved a growth of 6.1% compared to de-growth of 3.5% in CY 2020. The strength of the recovery was observed to vary significantly across countries, depending on access to medical interventions, the effectiveness of policy support, exposure to cross-country spillovers, and structural characteristics of the economy. Another notable development during the year in the global economy was the rebound of international trade. According to the April WEO report by IMF, global trade volume recovery was sharper than output growth and it grew at an annual rate of 10.1% in CY 2021.

#### Outlook

The outbreak of a conflict between Ukraine and Russia is expected to trigger a significant slowdown in global economic growth in CY 2022. Apart from output slowdown, the conflict is expected to ramp up inflationary pressures on key commodities such as oil, natural gas, and wheat among others, which will hit vulnerable populations in low-income countries the hardest. According to a new study done by the National Institute of Economic and Social Research, the war has led to a 30% increase in oil prices, a 90% increase in European gas prices, and a 17% increase in food prices. On the other hand, policy rate hikes by key central banks across the world to tame inflation is expected to lower the economic growth. Global growth is projected to slow from an estimated 6.1 percent in 2021 to 3.6 percent in 2022 and 2023.

#### **Indian Economic Review**

After a de-growth of 6.6% in FY 2020-21, the Indian economy reported a growth of 8.7%. The easing of COVID-related restrictions, accelerated vaccination campaign, and a strong policy response from the Government of India and the reserve bank were critical in ensuring this recovery. The RBI continued to maintain an accommodative stance throughout the year, aiding the recovery process. However, the growth stunted towards the second half of the year, largely driven by the global supply chain disruptions and an inflationary environment, driven by the steep increase in crude and other commodity prices.

#### **Outlook**

As per the latest estimates by CRISIL, India's Gross Domestic Product ('GDP') is expected to report a growth of 7.3% in FY 2022-23, in line with the RBI's expectation of 7.2% Real Growth. This growth is despite private consumption and investment being impacted by higher oil and commodity prices, elevated freight prices, and drag on exports with lower global growth projections. The growth projections face downsides risks emanating from the increased duration of the war as well as growing inflation.

#### **Industry Overview**

India has a diversified financial sector consisting of commercial banks, insurance companies, non-banking financial companies, housing finance companies, cooperatives, pension funds, mutual funds, and other smaller financial entities. The financial services industry plays an important role in ensuring the efficiency of capital allocation and driving high-return investments. NBFCs especially those catering to the urban and rural poor namely NBFC-MFIs and Asset Finance Companies have a complementary role in the financial inclusion agenda of the country. The financial services sector is expected to rapidly grow this decade driven by rising incomes and heightened government focus on financial inclusion and digital adoption – India's digital payments could pass \$1 trillion by 2030.

Non-banking financial companies (NBFCs) are a crucial component of the Indian finance industry and serve the financial needs of less-banked population such as the unorganized section such as the micro, small and medium enterprises (MSMEs). NBFCs enjoy a competitive edge in their superior understanding of regional dynamics, well-developed collection systems, and personalized services in the drive to expand financial inclusion in India. Lower transaction costs, quick decision-making, customer orientation, and prompt provision of services have typically differentiated NBFCs from banks. As a result, over the last decade, the NBFCs have become an increasingly important part of the Indian financial services sector. According to the RBI, NBFCs have slowly, but steadily increased their credit to GDP ratio from 8.6% in 2013 to reach 13.7% in 2021.

**Opportunities and threats:** The golden rule in the Business sector is "No Risk No Gain" opportunities and threats walk hand to hand. As like the opportunities lying in future which we see for future growth threats are also lying in future which may or may not be met in future. Being into financial activity, Company is taking proper steps to mitigate the business risk.

**Segment-wise performance:** The Company is operating in one major segment and hence separate segmental reporting is not applicable. The Company has no activity outside India. The business of the Company comprises loans for income generation as well as investment and other sectors. It has been a conscious decision of the Management to have diversified businesses to protect or maintain the overall profitability for the sustained benefit of the company. Financials performances are disclosed in directors report as well as financial statements.

**Risk and concerns:** The Risk Management Framework of the Company is derived from the overall Enterprise Risk Management Framework. The Company is exposed to general market risk and is init iating adequate step to mitigate it.

#### INDEPENDENT AUDITOR'S REPORT

The Members of M/s KRA Leasing Limited

#### **Report on the Audit of the Consolidated Financial Statements**

#### **Opinion**

We have audited the accompanying consolidated financial statements of **M/s KRA Leasing Limited** (hereinafter referred to as "the Holding Company") and its subsidiary (Holding Company and its subsidiary together referred to as "The Group"), which comprise the Consolidated Balance Sheet as at March 31, 2022, and the Consolidated Statement of Profit and Loss including statement of other comprehensive income, consolidated statement of change in equity and consolidated statement of Cash Flow and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaidconsolidated financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2022, its profit including statement of other comprehensive income, changes in equity and its cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **KEY AUDIT MATTERS**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements for the financial year ended March 31, 2022. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

#### <u>Fair valuation of Investments</u>

The Company has investments in Unlisted Equity Shares of Group entities and their value shown in financial statement is at cost considering the exemption given for unlisted equity shares. Investment in Mutual funds are shown at fair value through other comprehensive income and valued at market rate available as on 31<sup>st</sup> March 2022 and considered as level 1 for fair value hierarchy.

#### INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

The Holding company's Board of Directors is responsible for the other information. The other information comprises the information included in the Holding company's Annual Report, but does not include the Financial Statements and our auditors' report thereon. Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other informations, we have required to report that fact. We have nothing to report in this regard.

#### **MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS**

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, respective management of companies included in the Group is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless respective management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the group are responsible for overseeing the company's financial reporting process.

#### <u>AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS</u>

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these

Consolidated Financial Statements. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. we also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we have required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements for the financial year ended March 31, 2022 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirement**

- 1. As required by the Companies (Auditor's report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in "Annexure -A" a statement on the matters specified in paragraph 3 and 4 of the order, to the extent applicable.

    - •directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Holding company or its subsidiary or
    - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
    - (ii) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Holding company or its subsidiary from any persons or entities,

including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding company or its subsidiary shall:

- •directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or
- •provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and
- (iii) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (d) (i) and (d) (ii) contain any material mis-statement.
- (e) The Holding company or its subsidiary has not declared or paid any dividend during the year.
- (C) With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

#### Annexure "B"

Independent Auditor's Report on the internal controls with reference to consolidated financial statements under Clause (i) of sub section 3 of section 143 of the Companies Act, 2013 ('the Act')

In conjunction with our audit of the consolidated financial statements of the Group as of and for the year ended 31st March 2022, We have audited the internal financial controls with reference to consolidated financial statements of M/s KRA Leasing Limited (hereinafter referred to as "the Holding Company") and such companies incorporated in India under the Companies Act, 2013 which are its subsidiary company as of that date.

#### MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The respective Board of Directors of the Holding Company and its subsidiary which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating 'effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### **AUDITORS' RESPONSIBILITY**

Our responsibility is to express an opinion on the Holding Company and its subsidiary which is companies incorporated in India, internal financial controls over financial reporting with reference to these consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, both, issued by Institute of Chartered Accountants of India, and deemed to be prescribed under section143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these consolidated financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the company and its subsidiary companies, which are companies incorporated in India. We are not expressing any opinion on subsidiary incorporated outside India as there is no such requirement.

# MEANING OF INTERNAL FINANCIAL CONTROLS OVERFINANCIAL REPORTING WITH REFERENCE TO THESE CONSOLIDATED FINANCIAL STATEMENTS

A company's internal financial control over financial reporting with reference to these consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these consolidated financial statements includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accountingprinciples, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

# INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING WITH REFERENCE TO THESE CONSOLIDATED FINANCIALSTATEMENTS

Because of the inherent limitations of internal financial controls over financial reporting with reference to these consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these consolidated financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **OPINION**

In our opinion, to the best of my information and according to the explanations given to us the company and its subsidiary companies which are companies incorporated in India, have, maintained in all material respects, adequate internal financial controls system over financial reporting with reference to these consolidated financial statements and such internal financial controls over financial reporting with reference to these consolidated financial statements were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

### **OTHER MATTERS**

Our report under Section 143 (3) (i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting is limited with reference to these consolidated financial statements of the Holding Company, and in so far as it relates to separate financial statements of 1 subsidiary which are companies incorporated in India only.

### (a.) Background

KRA Leasing Ltd. has controlling interest, directly or indirectly in the following entities during the year ended March 31, 2022:

Entity	Country of Incorporation	Name of Parent	Percentage of holding (%)
<u>Subsidiary</u>			
SMG Enterprises Limited	India	KRA Leasing Ltd.	51.84%

### (b.) Basis of Consolidation

The consolidated financial statements have been prepared to comply with the accounting principles generally accepted in India, including the Accounting Standards (Ind AS) specified under Section 133 of the Companies Act, 2013 (the 'Act'), read with Rule 3 of the Companies (Indian Accounting Standards) Amendment Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. The consolidated financial statements have been prepared on a going concern basis under the historical cost convention on accrual basis. The accounting policies have been consistently applied by the Group.

### (c.) Principles of Consolidation

The Consolidated Balance Sheet, Consolidated Statement of Profit and Loss and Consolidated Cash Flow Statement (collectively referred to as 'consolidated financial statements') include the financial statements of **KRA Leasing Limited**, i.e. the Parent company and it's subsidiary (hereinafter referred to as 'the Group'). The consolidated financial statements of the Group have been prepared in accordance with the notified Accounting Standard Ind AS 110 'Consolidated Financial Statements'.

The consolidated financial statements have been prepared on the following basis:

i. The consolidated financial statements have been combined on a line-by-line basis by adding the book value of the like items of the assets, liabilities, income and expenses after eliminating intra-group transactions and resulting unrealized profits/losses in full (if any). The amounts shown in respect of reserves comprise the amount of the relevant reserves as per balance

REGD. OFFICE: C-20, SMA Co-Operative Industrial Estate, G T Karnal Road, Delhi-33 CIN: L65993DL1990PLC039637

## Notes to the consolidated financial statement for the year ended March 31, 2022

sheet of the Parent company and its share in the post-acquisition increase in the relevant reserves of the subsidiaries.

- ii. The excess/deficit of cost to the Parent company of its investment over its portion of equity in the subsidiaries at the respective date on which the investment in such entity was made is recognized in the financial statements as goodwill/capital reserve on consolidation on the basis of last audited Balance Sheet of the subsidiary/associate. The Parent company's portion of equity in such entities is determined on the basis of book value of assets and liabilities as per financial statements of the entity as on the date of investment.
- iii. Non-Controlling share of net profit of consolidated subsidiary for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders of the group.
- iv. The Consolidated financial statements are presented, to the extent possible, in the same format as that adopted by the parent companyfor its separate financial statements.

#### (d.) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future result could differ due to these estimates and the differences between the actual results and the estimates are recognized in the periods in which the results are known/ materialize.

## 2. Application of new and revised Indian Accounting Standard (Ind AS)

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from April 1, 2022, the management of the company does not expect the amendment to have any significant impact in its financial statements.

## 3. Significant accounting policies and other explanatory information

REGD. OFFICE: C-20, SMA Co-Operative Industrial Estate, G T Karnal Road, Delhi-33 CIN: L65993DL1990PLC039637

## Notes to the consolidated financial statement for the year ended March 31, 2022

## 3.01.Basis of Preparation and presentation

## Notes to the consolidated financial statement for the year ended March 31, 2022

Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the consolidated financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized. Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized.

## 3.02.03Property, plant and equipment (Ind AS-16)

Property, plant and equipment are stated at cost less accumulated depreciation and impairment, if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by the management. The group depreciates property, plant and equipment over their estimated useful lives using method and the estimated useful lives as per schedule II.

Cost of assets not put to use before such date are disclosed under 'capital work-in-progress' Subsequent expenditures relating to property, plant and equipment are capitalized only when it is probable that future economic benefits associated with these will flow to the group and the cost of the item can be measured reliably. The cost and related accumulated depreciation are eliminated from the consolidated financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the consolidated statement of Profit and Loss.

## 3.02.04Borrowing costs (Ind AS-23)

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization. All other borrowing costs are recognized in profit or loss in the period in which they are incurred.

The group is not required to capitalize any amount during the financial year as borrowing cost.

## 3.02.05 Financial Instruments (Ind AS-32/107/109)

(i) Financial Assets

REGD. OFFICE: C-20, SMA Co-Operative Industrial Estate, G T Karnal Road, Delhi-33 CIN: L65993DL1990PLC039637

## Notes to the consolidated financial statement for the year ended March 31, 2022

#### Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value are adjusted to the fair value on initial recognition through profit & loss account.

### Subsequent measurement

#### Financial assets carried at amortized cost (AC)

A financial asset is measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

### Financial assets carried at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

#### Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

#### **Other Equity Investments**

All other equity investments are measured at fair value, with value changes recognized in Statement of Profit and Loss, except for those equity investments for which the group has elected to present the value changes in 'Other Comprehensive Income'.

#### Impairment of financial assets

The group assesses on a forward looking basis the expected credit losses associated with its assets carried at amortized cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the group applies the simplified approach permitted by Ind AS 109 Financial instruments, which requires expected lifetime losses to be recognized from initial recognition of the receivables.

### (ii) Financial liabilities

REGD. OFFICE: C-20, SMA Co-Operative Industrial Estate, G T Karnal Road, Delhi-33 CIN: L65993DL1990PLC039637

## Notes to the consolidated financial statement for the year ended March 31, 2022

#### Initial recognition and measurement

All financial liabilities are recognized initially at fair value and in case of borrowings and payables, net of directly attributable cost.

#### Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

#### (iii)Derivative financial instruments

The group does not hold derivative financial instruments such as foreign exchange forward and options contracts to mitigate the risk of changes in exchange rates on foreign currency exposure. Therefore, related disclosures not provided in financial statement.

## 3.02.06. Earning per equity share (Ind AS-33)

Basic earning per equity per share is computed by dividing the net profit attributable to the equity holders of the group by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share are computed by dividing the net profit attributable to the equity holders of the group by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

## 3.02.07.Impairment of assets (Ind AS-36)

The Group assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the group estimates recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

REGD. OFFICE: C-20, SMA Co-Operative Industrial Estate, G T Karnal Road, Delhi-33 CIN: L65993DL1990PLC039637

Notes to the consolidated financial statement for the year ended March 31, 2022

## 3.02.08. Provisions and contingent liabilities (Ind AS-37)

#### **Provisions**

A provision is recognized in the consolidated financial statements where there exists a present obligation as a result of a past event, the amount of which can be reliably estimated, and it is probable that an outflow of resources would be necessitated in order to settle the obligation. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

### **Contingent liabilities**

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the group or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. Contingent liabilities are not recognized but are disclosed in the notes unless the outflow of resources is considered to be remote.

## 3.02.09. Non-current assets held for sale (Ind AS-105)

The group classifies non-current assets as held for sale if their carrying amounts will be recovered principally through a sale rather than through continuing use. Such non-current assets classified as held for sale are measured at the lower of their carrying amount and fair value less costs to sell. Any expected loss is recognized immediately in the statement of profit and loss.

Property, plant and equipment and intangible assets once classified as held for sale are not depreciated or amortized. Assets and liabilities classified as held for sale are presented separately as current items in the balance sheet.

## 3.02.10 Operating Segment (Ind AS-108)

Ind AS 108 establishes standards for the way that public business enterprises report information about operating segments and related disclosures about products and services, geographic areas, and major customers. Therefore, disclosures as prescribed under mentioned standards not required.

## 3.02.11. Fair value measurement (Ind AS-113)

The group measures financial instruments at fair value at each balance sheet date.

REGD. OFFICE: C-20, SMA Co-Operative Industrial Estate, G T Karnal Road, Delhi-33 CIN: L65993DL1990PLC039637

## Notes to the consolidated financial statement for the year ended March 31, 2022

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- (i) in the principal market for asset or liability, or
- (ii) in the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the group.

All assets and liabilities for which fair value is measured or disclosed in the consolidated financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

## 3.02.12 Revenue from Contracts with Customers (Ind AS-115)

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the group and the revenue can be reliably measured, and it is probable that the group will collect the consideration to which it is entitled to in exchange for the goods. Amount disclosed in Profit & Loss statement are net of GST.

- i. Interest receipts are accounted on accrual basis.
- ii. Rent received in accordance with policy mentioned under ' Ind AS -116 Leases'.
- iii. Dividend received in accordance when right to receive the dividend establishes.

## 3.02.13 Leases (Ind AS-116)

#### Group as a lessor

Leases in which the group does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognized on a straight-line basis over the term of the relevant lease, except when the lease rentals, increase are in line with general inflation index. Initial direct costs incurred in negotiating and arranging an operating lease are added to

REGD. OFFICE: C-20, SMA Co-Operative Industrial Estate, G T Karnal Road, Delhi-33 CIN: L65993DL1990PLC039637

## Notes to the consolidated financial statement for the year ended March 31, 2022

the carrying amount of the leased asset and recognized over the lease term on the same basis as rental income. Contingent rents are recognized as revenue in the period in which they are earned.

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the group to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the group's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

Lease rent credited to the statement of profit and loss of the current year is Rs. 2,25,34,747/- (31<sup>st</sup> March 2021: Rs. 1,62,53,853/-)

## 4. Significant accounting judgments, estimates and assumptions

The preparation of the Group's financial statements requires management to make judgment, estimates and assumptions that affect the reported amount of revenue, expenses, assets and liabilities and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

#### 4.1Estimation of current tax and deferred tax

Management judgment is required for the calculation of provision for income - taxes and deferred tax assets and liabilities. The Group reviews at each balance sheet date the carrying amount of deferred tax assets. The factors used in estimates may differ from actual outcome which could lead to adjustment to the amounts reported in the consolidated financial statements.

#### 4.2Recoverability of trade receivable

Trade receivables are stated at their normal value as reduced by appropriate allowances for estimated irrecoverable amounts. Individual trade receivables are written off when management deems them not to be collectible. Impairment is recognized based on the expected credit losses, which are the present value of the cash shortfall over the expected life of the financial assets.

#### 4.3Fair value measurement

Wherever required, the fair value of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets wherever possible. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

## Notes to the consolidated financial statement for the year ended March 31, 2022

### 4.4 Global Health Pandemic (Covid-19)

The outbreak of COVID19 pandemic is causing significant disturbance and slow-down of economic activities globally. The nationwide lockdown ordered by the Government of India has resulted in significant reduction in economic activities.

The Management has considered the possible effects that may result from the pandemic on the recoverability/ carrying value of the assets. Based on the current indicators of future economic conditions, the Management expects to recover the carrying amount of the assets; however, the Management will continue to closely monitor any material changes to future economic conditions. Given the uncertainties, the final impact on Group's assets in future may differ from that estimated as at the date of approval of these consolidated financial statements.

### 32.3Financial risk management objectives

The group is not exposed to any financial risks in relation to financial instruments those require further disclosures. The probable risk is credit risk, interest rate risk and liquidity risk for which explanations provided below. The group is not engaged in any speculative activities to manage risk but optimize related risk through internal risk management strategies.

### 32.4Interest rate risk management

The company has borrowed funds from directors. It is not subject to any risks arising from fluctuations in interest rates since loans are interest free.

### 32.5 Credit risk management

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to financial loss and the group is exposed to credit risk for cash and cash equivalents for which further explanations provided below:

#### 32.5.1Trade Receivable

<sup>&</sup>quot;there were no reclassification from one measurement category to another during the financial year ended.

REGD. OFFICE: C-20, SMA Co-Operative Industrial Estate, G T Karnal Road, Delhi-33 CIN: L65993DL1990PLC039637

## Notes to the consolidated financial statement for the year ended March 31, 2022

The Group considers factors such as repayable capacity, financial position and other factors before giving loans and advances to any persons. Generally, loans and advances are sanctioned to Group companies and therefore risk element is considered to be negligible.

#### 32.5.2Cash and cash equivalent

The group considers factors such as track record, size of institution, market reputation and service standard to select the banks with which deposits are maintained. The group does not maintain significant deposit balances other than those required for its day to day operations.

#### 32.6Liquidity risk management

Liquidity risk reflects the risk that the group will have insufficient resources to meet its financial liabilities as they fall due. The group's objective is to maintain optimum levels of liquidity to meet its cash and collateral requirements. The group regularly monitors liquidity requirements to ensure that it has sufficient cash to meet operational needs.

The details of contractual maturities of significant financial liabilities:

## **INDEPENDENT AUDITOR'S REPORT**

## The Members of M/s KRA Leasing Limited

## **Opinion**

We have audited the accompanying standalone financial statements of **M/s KRA Leasing Limited** ("the company"), which comprise the Balance Sheet as at March 31, 2022, and the Statement of Profit and Loss including statement of other comprehensive income, the statement of change in equity and Cash Flow Statement and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaidfinancial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2022, its profit including statement of other comprehensive income, changes in equity and its cash flows for the year ended on that date.

## **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## **KEY AUDIT MATTERS**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements for the financial year ended March 31, 2022. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

## Fair valuation of Investments

The Company has investments in Unlisted Equity Shares of Group entities and their value shown in financial statement is at cost considering the exemption given for unlisted equity shares. Investment in Mutual funds are shown at fair value through other comprehensive income and valued at market rate available as on 31<sup>st</sup> March 2022 and considered as level 1 for fair value hierarchy.

## INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the Standalone Financial Statements and our auditors' report thereon. Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other informations, wehave required to report that fact. We have nothing to report in this regard.

## **MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

## **AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS**

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. we also:

 Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, wehave required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements for the financial year ended March 31, 2022 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Report on Other Legal and Regulatory Requirement

- (xviii) The previous auditor has resigned during the financial year and the reasons of resignation has been considered before taking the audit assignment as per code of ethics laid down by the Institute.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) In our opinion and according to the information and explanations given to us, company is not required to comply section 135 of the Companies Act, 2013. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.
- (xxi) The reporting under clause (xxi) is not applicable in respect of audit standalone financial statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

Re: M/s KRA Leasing Limited

## **Report on Internal Financial Controls Over Financial Reporting**

# REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("THE ACT")

We have audited the internal financial controls over financial reporting of M/s KRA Leasing Limited as on March 31, 2022 in conjunction with my audit of the financial statements of the Company for the year ended on that date.

#### MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **AUDITORS' RESPONSIBILITY**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on out audit. We have conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that have comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

## **MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- 1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- 3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## **OPINION**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial

Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the standalone financial statement for the year ended March 31, 2022

#### **Current Income tax**

Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date.

#### Deferred income tax assets and liabilities

Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized. Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized.

#### 3.02.03Property, plant and equipment (Ind AS-16)

Property, plant and equipment are stated at cost less accumulated depreciation and impairment, if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by the management. The company depreciates property, plant and equipment over their estimated useful lives using method and the estimated useful lives as per schedule II.

Cost of assets not put to use before such date are disclosed under 'capital work-in-progress' Subsequent expenditures relating to property, plant and equipment are capitalized only when it is probable that future economic benefits associated with these will flow to the company and the cost of the item can be measured reliably. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss.

### 3.02.04Borrowing costs (Ind AS-23)

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization. All other borrowing costs are recognized in profit or loss in the period in which they are incurred.

#### 3.02.05 Financial Instruments (Ind AS-32/107/109)

REGD. OFFICE: C-20, SMA Co-Operative Industrial Estate, G T Karnal Road, Delhi-33 CIN: L65993DL1990PLC039637

Notes to the standalone financial statement for the year ended March 31, 2022

## (i) Financial Assets

#### Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value are adjusted to the fair value on initial recognition through profit & loss account.

#### Subsequent measurement

## Financial assets carried at amortized cost (AC)

A financial asset is measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

## Financial assets carried at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

#### Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

#### Investment in subsidiaries and Associates

The Company has accounted for its investments in subsidiary at cost in accordance with IndAS 27 'separate financial statement'.

## **Other Equity Investments**

All other equity investments are measured at fair value, with value changes recognized in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

#### Impairment of financial assets

The company assesses on a forward-looking basis the expected credit losses associated with its assets carried at amortized cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the company applies the simplified approach permitted by Ind AS 109 Financial instruments, which requires expected lifetime losses to be recognized from initial recognition of the receivables.

## (ii) Financial liabilities

REGD. OFFICE: C-20, SMA Co-Operative Industrial Estate, G T Karnal Road, Delhi-33 CIN: L65993DL1990PLC039637

Notes to the standalone financial statement for the year ended March 31, 2022

#### Initial recognition and measurement

All financial liabilities are recognized initially at fair value and in case of borrowings and payables, net of directly attributable cost.

#### Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

## (iii)Derivative financial instruments

The company does not hold derivative financial instruments such as foreign exchange forward and options contracts to mitigate the risk of changes in exchange rates on foreign currency exposure. Therefore, related disclosures not provided in financial statement.

#### 3.02.06. Earning per equity share (Ind AS-33)

Basic earnings per equity per share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share are computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

## 3.02.07.Impairment of assets (Ind AS-36)

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the company estimates recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

No impairment loss has been provided on non-financial assets considering that no indications internal/external exists those suggests that recoverable amount of asset is less than its carrying value.

## 3.02.08. Provisions and contingent liabilities (Ind AS-37)

#### **Provisions**

A provision is recognized in the standalone financial statements where there exists a present obligation as a result of a past event, the amount of which can be reliably estimated, and it is

REGD. OFFICE: C-20, SMA Co-Operative Industrial Estate, G T Karnal Road, Delhi-33 CIN: L65993DL1990PLC039637

## Notes to the standalone financial statement for the year ended March 31, 2022

probable that an outflow of resources would be necessitated in order to settle the obligation. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

## **Contingent liabilities**

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. Contingent liabilities are not recognized but are disclosed in the notes unless the outflow of resources is considered to be remote.

## 3.02.09. Non-current assets held for sale (Ind AS-105)

The Company classifies non-current assets as held for sale if their carrying amounts will be recovered principally through a sale rather than through continuing use. Such non-current assets classified as held for sale are measured at the lower of their carrying amount and fair value less costs to sell. Any expected loss is recognized immediately in the statement of profit and loss.

Property, plant and equipment and intangible assets once classified as held for sale are not depreciated or amortized. Assets and liabilities classified as held for sale are presented separately as current items in the balance sheet.

#### 3.02.10 Operating Segment (Ind AS-108)

Ind AS 108 establishes standards for the way that public business enterprises report information about operating segments and related disclosures about products and services, geographic areas, and major customers. Therefore, disclosures as prescribed under mentioned standards not required.

#### 3.02.11. Fair value measurement (Ind AS-113)

The company measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- (i) in the principal market for asset or liability, or
- (ii) in the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the company.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

REGD. OFFICE: C-20, SMA Co-Operative Industrial Estate, G T Karnal Road, Delhi-33 CIN: L65993DL1990PLC039637

## Notes to the standalone financial statement for the year ended March 31, 2022

Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

#### 3.02.12 Revenue from Contracts with Customers (Ind AS-115)

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, and it is probable that the Company will collect the consideration to which it is entitled to in exchange for the goods. Amount disclosed in Profit & Loss statement are net of GST.

- i. Interest receipts are accounted on accrual basis.
- ii. Rent received in accordance with policy mentioned under 'Ind AS -116 Leases'.
- iii. Dividend received in accordance when right to receive the dividend establishes.

#### 3.02.13 Leases (Ind AS-116)

## Company as a lessor

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognized on a straight-line basis over the term of the relevant lease, except when the lease rentals, increase are in line with general inflation index. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognized over the lease term on the same basis as rental income. Contingent rents are recognized as revenue in the period in which they are earned.

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Company to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

Lease rent credited to the statement of profit and loss of the current year is Rs. 1,77,61,903/- (31<sup>st</sup> March 2021: Rs. 1,60,37,853/-)

#### 4. Significant accounting judgments, estimates and assumptions

The preparation of the Company's financial statements requires management to make judgment, estimates and assumptions that affect the reported amount of revenue, expenses, assets and liabilities and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

## 4.1Estimation of current tax and deferred tax

REGD. OFFICE: C-20, SMA Co-Operative Industrial Estate, G T Karnal Road, Delhi-33 CIN: L65993DL1990PLC039637

## Notes to the standalone financial statement for the year ended March 31, 2022

Management judgment is required for the calculation of provision for income - taxes and deferred tax assets and liabilities. The Company reviews at each balance sheet date the carrying amount of deferred tax assets. The factors used in estimates may differ from actual outcome which could lead to adjustment to the amounts reported in the financial statements.

## 4.2Recoverability of trade receivable

Trade receivables are stated at their normal value as reduced by appropriate allowances for estimated irrecoverable amounts if any. Individual trade receivables are written off when management deems them not to be collectible. Impairment is recognized based on the expected credit losses, which are the present value of the cash shortfall over the expected life of the financial assets.

#### 4.3Fair value measurement

Wherever required, the fair value of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets wherever possible. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

#### 4.4 Global Health Pandemic (Covid-19)

The outbreak of COVID19 pandemic is causing significant disturbance and slow-down of economic activities globally. The Management has considered the possible effects that may result from the pandemic on the recoverability/ carrying value of the assets. Based on the current indicators of future economic conditions, the Management expects to recover the carrying amount of the assets; however, the Management will continue to closely monitor any material changes to future economic conditions. Given the uncertainties, the final impact on Company's assets in future may differ from that estimated as at the date of approval of these financial statements.

## 31.3Financial risk management objectives

The company is not exposed to any financial risks in relation to financial instruments those require further disclosures. The probable risk is credit risk, interest rate risk and liquidity risk for which explanations provided below. The company is not engaged in any speculative activities to manage risk but optimize related risk through internal risk management strategies.

#### 31.4Credit risk management

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to financial loss and the company is exposed to credit risk for Trade receivable and cash and cash equivalents for which further explanations provided below:

## 31.4.1Trade receivable

The company considers factors such as repayable capacity, financial position and other factors before giving loans and advances to any persons. Generally, loans and advances are sanctioned to Group companies and therefore risk element is considered to be negligible.

## 31.4.2 Cash and cash equivalent

The company considers factors such as track record, size of institution, market reputation and service standard to select the banks with which deposits are maintained.

## 31.5Liquidity risk management

Liquidity risk reflects the risk that the company will have insufficient resources to meet its financial liabilities as they fall due. The company's objective is to maintain optimum levels of liquidity to meet its cash and collateral requirements. The company regularly monitors liquidity requirements to ensure that it has sufficient cash to meet operational needs.
